Glamrock freddy was in his room getting ready to charge when he heard a lot of bangs and noises outside "what the?" freddy questioned himself as he got up from the chair in front of the mirror. he went over to the door and knocked, vanessa opened the door "what is going on vanessa?" vanessa smiled and said "you'll see freddy" and walked off, closing the door again, now freddy was REALLY confused, but he couldn't do much as he could not walk out of his room.

some time passed, but he didn't know how much time but he got some charge in, he was reading a book on his bed when vanessa opened the door and walked half in since she would get locked inside, "freddy!" freddy looked up at her in confusion, maybe now she would tell him what was going on. "i have the rest of the gang at the door of the parts and service room lets go!" freddy got up, bookmarking his place in the book and walked out.

"freddy, do you know what this is all about?" glamrock chica asked as he walked near them, "no I don't" roxy spoke up "i heard something about an animatronic" she shrugged as that grew excitement and more confusion. finally someone came out, "he's up and running,we still need to do some work but they can come see him, he was really beat up" they all walked in but freddy was the last one since everyone was blocking his view. all he heard was gasped and quite sobs from chica, "w-whats going on, is everything okay?" everyone froze and moved out of the way. and there freddy saw it, his eyes widened and teas formed "i-is that?" there sat up on the table was bonnie, "b-bonnie?" he somewhat ran forward and held his face as bonnie wasn't turned on. he turned to vanessa and said "h-he will be okay right?" vanessa smiled warmly and said "yes, he will be okay he will be up and running tomorrow morning."

freddy started crying of joy

meanwhile in the back monty was not smiling nor was he crying of joy, he was mad, 'i thought i got rid of that rabbit' once they all but freddy left to their rooms vanessa said "freddy you have to go back to your room before you shut down" freddy nodded before hugging the shut down bonnie and leaving.

freddy was still letting tears form and fall when monty walked up to him "you okay freddy?" freddy nodded and smiled "I just can't believe that bonnie is back!" monty didn't smile, he just looked away but smiled and stepped in front of freddy. "I can't either, it has been so long" freddy giggled randomly and monty started to whip his tears away, blushing a bit. freddy looked up at monty and monty blushed more "you okay monty? you look a little red" monty nodded "i'll walk you back to your room"

-----time skip----

monty walked back into his room and growled "how is that dumb rabbit here! I thought i dismantled him for good!" monty walked over to his bed and pulled out a picture of glamrock freddy singing on stage with hearts all around him "and I was so close to being with you too" monty sighed and put the picture back "I just hope that rabbit doesn't remember what I did"

-the next morning-

the next morning freddy was pacing in his room really nervous, he was suposed to preform today. the door opened which singled him to start to get onto the stage, freddy met up with the rest and they started to talk "any more news on bonnie?" chica asked not as nevous as freddy but excited "no, but I heard he was near being finished, he's awake to, but they don't know what happened to him as he doesn't remember" freddy started to get even more nervous when monty patted him on the shoulder "he'll be fine fred," freddy smiled up at monty as the platform moved upward.

"welcome everyone, now before we on with the show, we have an old face we would like to bring back, introducing....bonnie the bunny!" freddy froze and looked around for the bunny and saw him walking in the front of the stage as people and kids roared with joy, freddy froze but quickly smiled and walked beside him. and so the show began

------time skip------

afterward bonnie was walking off the stage when he was tackled to the ground in a hug, he turned around and saw freddy in tears as he hugged the bunny from behind, he chuckled "hello freddy" bonnie turned around and hugged freddy back "been a while" freddy looked up at him "i missed you SO much!" bonnie blushed a little "still a big baby huh?" they both laughed "oh shut up you" bonnie put his chin on freddys head and said "it is good to be back"

monty watched from the side lines, he turned to walk away when he saw Bonnie smirk at him and winked, sticking out his tongue. 'Stay calm Monty, if you attack him again Fred will never love you. You can win him fair and square' and with that, Monty left.

Bonnie hugged Freddy tighter blushing more as he stuck his face in Freddy's hair. Freddy didn't want this moment to end, but soon enough he slipped into darkness
"Oh, he's asleep" he heard a snarl "I will win, you know that, right?"

Bonnie turned his head and saw Monty, he laughed "Freddy already is hugging me and not wanting to let go of me, when has he ever hugged you" Monty looked down "n-not ever... BUT me and him have grown closer a little while you were gone and I feel I have a chance" Monty was playing the 'nice guy's act. But Bonnie didn't know that, Bonnie giggled "well let the best man win then I guess" and held out a hand for him to shake. "I guess so"

-----time skip----

Bonnie opened the door with Freddy sleeping in his chest. Once he set Freddy on his bed he saw something and went over "is this my old bowling ball?" He bent down but saw a picture of him and Freddy "the old picture we took together..." Bonnie teared up and looked back at Freddy, 'he really did miss me, gosh it's good to be back's he walked over to Freddy and kissed his forehead and layed down next to him 'since my room is taken by Monty they'll need to get me a new one, for now I'll stay with Fred'

And with that, he fell asleep cuddling freddy like a teddy bear.

-spending time together-

hello, just a little a/n- so for monty in this story something is wrong with him and he is not himself, cause now monty is my 2nd fav character , lets see if you can guess ;)

Freddy woke up and yawned, "wow, that was a weird dream" there was a giggle "what dream fred?" He froze and turned, smiling "good, it wasn't a dream..." Bonnie smiled snuggling him more "I am here to stay fred" Freddy smiled more. "Today is a Friday so we have like 1 or 2 weeks where we are closed" Bonnie put his face in his neck "good, we can stay like this for a bit" Freddy blushed feeling Bonnie breath on his neck. "I won't complain about staying like this, but we have stuff to do bon, we still have to make sure that your systems are working just fine after yesterday" bonnie looked defeated but thought of an idea "hey, after that maybe we can spend time together. like the old days!" freddy beamed with joy "YES that sounds amazing!"

bonnie and freddy started to walked over to the parts and service room and knocked. bonnie started to get nervous "freddy, what if they tell me i will never be the same and that i will shut down in a few days?!" freddy turned to him with a soft smile and put a hand on his cheek "bon, it will be okay, it will never come to that!" bon smiled and held freddys hand. "Thanks, fred" the door opened, and they went in "ok bonnie, let's get this over with"

it took some time, but it turns out everything is great. after the whole thing the two of them they started to walk around the pizza plex talking. "so, hows my bowling ally?" freddy looked at him and smiled "its closed of course but it needs some cleaning". bonnie sighed happily and smiled at freddy "thats good to hear" bonnie and freddy looked at each other for a moment before bonnie asked cheeks turning a little pink "want to go watch a movie or something?" freddy nodded and so off they went.

--with monty--

monty was in a corner groaning and holding his head sunglasses across the room "get out get out get out get out get out!" a different voice could be heard by monty "come on, you got rid of him once, you can do it again can't you?" a small sob could be heard "YOU KNOW FULL WELL I DIDN"T WANT TO!" monty whipped his head up to darkness and to glowing purple eyes "you can't fight forever monty..." monty growled glaring at the glowing eyes"watch me..."

that chapter 3 you guys, if you guys have an oc for monty (mainly cause i don't have one) who would be montys partner (mainly looking for a guy but i will take girl/ she theys/ he theys/ etc)

-trying to get over a crush-

monty woke up and stood up form the corner, his eyes were his normal redish color, he walked over to his glasses and picked them up, no cracks, good. monty looked out the window to see bonnie and freddy, bonnie must have seen hi cause he waved, monty flinched but smiled and waved back. this is when monty decided that he was going to get over freddy and move on, that way he won't hurt bonnie because of &%#!&%^ he walked over to the door, and since it was open at these hours as stepped out of his room he wondered where he was going to go, then it hit him, why not visit sundrop! he can surely have him get over his crush on freddy.

monty started to walk towrds the daycare when bonnie yelled out "monty! wait up!" monty looked behind and saw just bonnie no freddy

"where you heading?"

"oh i'm going to sundrop to help with....something"

"help with what?"

"I-i'm trying to get over my crush on freddy because i see you two together and you guys just belong together, so i'm heading over to the daycare to have sundrop help me with it."

bonnie looked shocked "w-well thank you but are you okay? i mean i-it's not an easy thing to do and decide" monty chuckled a little "i'll be fine bonnie" monty was silent for a moment before bonnie said "well, i-i think it would help if you try and spend time with someone else or focus on something else, go ask chica or roxy too" monty nodded and they two walk away.

as monty walked he thought who would be the best to help him get over his silly little crush on freddy, roxy would just laugh at him, sundrop....sundrop cry's every time you tell him santas not real, so his only bet was to go to chica first. he got to glamrock chicas mini

stage and looked in to see chica practicing her guitar on her bed. "c-chica? may I talk to you?" chica turned around and smiled "sure monty, whats up?" he walked in and chica motioned him to sit down on her bed next to her

"u-um, I need help getting over a crush on someone" chica gasped knowing who right away

"monty, did something happen, I know you have been crushing on freddy for quite some time now an-"

"chica, please, I want bonnie to have him, bonnie and freddy have a bright future than me and freddy do" chica sighed but nodded and smiled "if that is what you want monty," monty smiled and hugged her "thank you"

chica thought of an idea "hey, I heard theres going to be a new animatronic making the food here maybe I can set you two up!" monty nodded pretty excited. "but we have to wait until tomorrow, they are not done yet, you think you can last?" monty let out a shacky breath and said "y-yeah, thank you for all your help chica! I should go now bye!" before chica could say anything monty was out the door. tomorrow the plaza was open again and monty was nervous on what the staff would do to him sence bonnie was back and there was no need for 2 basses in the band,

'what if they scrap me?!'

'what if I get shut down for good?!'

'**what if i hurt bonnie again?!**'

all of these thoughts were in his mind racing like a race track, guess he will just have to wait for tomorrow....

-new comer-

[image]

That is going to be the new animatronic that Chica is going to set Monty up with
Mateo the hare (art by me :)) **DONT MIND THE *HAIR!!!***

The next day was nerve racking to say the least, today the new cook is coming and he doesn't know if he's going to be scraped, they were about to go on stage and Chica patted him on the back "it's all going g to be okay Monty I heard your getting your own stage for your very own music!"

Roxy roared with laughter "who would want to listen to HIS music!!" Bonnie and freddy along with Chica looked PISSED "you know, maybe they'll replace YOU once they know how badly you treat us and dislike kids!" Freddy screamed at her Roxy looked shocked and horrified "you wouldn't" freddy glared at her "try me" Monty smiled 'this is why I fell in love with hi- NO MONTY, your trying to get over him!'

"Thanks fred." Bonnie patted his back "I'm sure people would love your music" Roxy rolled her eyes "you guys are over reacting j just said ONE thing" before anyone could respond the platform started moving. Chica giggled and said to Monty "I saw the new animatronic cook, he's SUPER hot" Monty blushed a little out of Embarrassment. The platform stopped and they were all on stage, and the show begins once again...

----time skip----

The show was over and everyone were talking with the kids and taking pictures and stuff. While Monty was standing and waving to some kids he heard a voice behind him "so, your Monty, I heard a lot of things about you~" Monty turned around and saw an animatronic a little shorter than him (picture above) Monty smiled and said "yep! Your the new cook animatronic right?" The

animatronic stepped forward a little getting a Lot closer to him "yep, hey, your super cute~ I'm mateo~" Monty blushed a little and looked down at the animatronic overly flustered.

Meanwhile, Chica was squealing her head off beside her were Bonnie and freddy chuckling "he's getting hit on by the new cook.." Freddy said smiling in between laughs "looks like it, how much you wanna bet montys a bottom?" Bonnie said looking at the rest "20 bucks" freddy said looking at his 'best friend' Chica looked at freddy and Bonnie "so when are you too getting together?" The two blushed like a red sky and said "W-WE ARE NOT A COUPLE!" Chica laughed. Roxy just rolled her eyes, "what does he see in Monty? All I see is an ugly gator" freddy, Bonnie, and Chica looked BEYOND pissed "I swear Roxy I will tell Vanessa about what your saying!" Bonnie said Roxy backed off ears lowering.

They all turned back to monty a d mateo and saw mateo hands around montys waist as montys face was as red as a tomato "awww, my baby's all grown up!" Chica said freddy and Bonnie chuckled not knowing a certain @(_;#(*&- was watching chuckling with glowing purple spirl eyes and a white mouth "this can't stop me from getting what I want Monty.... Soon, I will get my way... "

a/n

Hey guys, so just wanted to say if you want to use my oc mateo just ask me and I will let you know if it's okay :D

a/n

Hey everyone make sure to read my new story if you like encanto

-new crush and a new couple-

it's been a little bit since mateo came and made a point that monty was his by the way monty was flirted on. it was night and monty was getting ready for bed when he heard a familer voice he did not want to hear "so, moved on did you?" monty flinched and froze in horror he turned around and saw a shadowy figure with even brighter glowing purple spirle eyes "w-what are you doing here?!" he heard a chuckled "i did tell you you can't fight forevver right? I will win, what ever it takes." monty was terrified, he didn't want to hurt anyone anymore. monty shut his eyes tight and he heard a groan "just GIVE UP ALREADY!" just as monty was about to start running he heard someone, he knew %$!#)*& wouldn't be able to do anything "monty! you there?" it was mateo, monty heard the figure groan again "we shall finish this later" and monty opened his eyes "monty?" he saw mateo peaking in "h-hi mateo!" mateo smirked and walked up to him and said "soo~ want to spend the night together?" monty blushed more as mateo got closer to his face "s-sure!" and so they went off to plan.

meanwhile with bonnie, he was really nervous. he was planning on asking freddy to be his boyfriend "okay, you GOT this" bonnie took a glimpse of freddy who was laughing with glamrock chica. bonnie blushed more "i can't do this!" bonnie took a deep breath and wlaked up to freddy "u-um freddy? may I talk to you, alone?" chica ,already knowing what is going on, smirked and left.

Freddy turned to look at bonnie and asked "what is it you wanted to tell me bon" bonnie turned red. "u-um I wanted to know i-if you would like....." bonnie sighed "W_WOULD YOU LIKE TO BE MY BOYFRIEND?!" frddy turned as red as bonnie and stuttered "Y-YES!" bonnie let out a laugh, and so did freddy. freddy attacked bonnie in a hug and bonnie returned the hug "in all honesty...I didn't expect you to accept it an-" bonnie was interrupted by freddy in a kiss "oh shut up you and enjoy the moment!" meawhile chica and roxy were

watching as roxy slowly hands chica $20 while chica just looks like spongebob from that one scene (hope you know what i mean lol)

"wow, didn't know he had the guts to do it tbh"

"i knew he could, now all i have to do is set mateo and monty up, i am already half way there soo...bye roxy!"

-the hangout and secrets out-

[image]

that night mateo was smirking before meeting up with monty "tonight I get to go on a 'date' with the one and only monty! oh the look on his face when i asked him~ it was so cute~" mateo fell backwards on his bed and blushed and bit his lip giggling "soon enough i can have him all for myself!" mateos eye pupils turned to hearts and he smirked getting up "I feel like a lost puppy in love". mateo got up and sighed "welp, it's time!"

mateo walked over to monty's room and heard some muffled yelling "what the?" mateo walked closer and asked "monty? you okay in there?" he knocked and the yelling stopped "m-mateo?" mateo walked in and smiled "hi~ you ready?" monty blushed and nodded mateo stopped smiling "what was all the muffled yelling about?" monty froze "i-i don't know what your talking about..." mateo sighed and walked over to monty and put his hands on his chest and looked up at him "you can tell me right~ baby bunny?~" monty turned red and looked to the side "f-fine"

monty sat onto his bedd and mateo followed sitting close next to him "o-ok, i'll tell you everything...just p-promise NOT to leave me..." mateo nodded, monty sighed a shacky breath "ok, so it was just a normal night for me and i was just cleaning the gator golf place and bonnie entered with a crazy look in his eyes, but his eyes wernt his normal eye color, they were a purple with spirals... I walked up to him and asked him and if he was okay, but he he took out his gataiur and tried to attack me...so I had to attack him back in self defense....but everything went black and the next thing I know bonnie was laying dismantled in fornt of me and those same voices and eyes KEEP haunting me and i- can't take it any more!!" Mateo had a look of horror **(picture above)**

"o-oh my...." monty felt tears forming and smiled "oof anyway I bet you think i'm a monster no-" monty was interrupted by mateo who hugged him "you are NOT a monster monty, you are an adorable

gator who didn't know what to do in that situation... you did nothing wrong" mateo smiled and blushed getting closer to monty who was also blsuhing but also letting tears falling. "mateo i-i'm sorry..." mateo smirked and kissed his cheek then whispered in his 'ear' "lets go on that hang out huh?~" monty turned red and nodded 'bi-polar much?' monty thought smiling like a sick puppy in love.

mateo dragged monty out of the room and said "i think theres a movie theater here, come on lets go!" monty just kept smiling and blushing as he looked at the excited look on mateos face 'i'm so in love'

----time skip----

mateo was watching the credits roll and sighed smiling "well that was an okay movie what do you thi-" mateo felt a weight on his shoulders and saw monty was asleeP" figures, i mean he was crying earlier" mateo sweat a little because he knows he can't lift monty on his own. "monty? mateo?" bonnie..."o-oh, hello bonnie! can you help me lift monty back to his room he fell asleep during put movie hang out/date" bonnie chuckled "sure dude!" and so bonnie had monty in his arms while his legs were around his waist and his arms over his shoulders and montys head in bonnies neck. mateo would be lying if he said he was not jealous from the way bonnie was holding monty but he can't lift him so he will have to let it slide.

once in the room bonnie put monty on his bed and took off his sunglasses and put them off to the side. "yoou have a room yet or?" bonnie asked turning to mateo who was looking at his feet " o-oh, yeah i have one, but i'll sleep wit monty for tonight, i mean soon enough we'll be sleeping otgether in a different way~" bonnie cringed "you do you i guess, I have to go cuddle with freddy" bonnie said blushing madly day dreaming "hey! lover boy! go so I can sleep!" mateo said shooing bonnie out and closing the door.

mateo closed the door and smirked turning to monty was was cuddling a plush of mateo that was on sale that day. "aww, you are so cute~" mateo yawned and walked over to monty and crawling into bed with him putting an arm around his waist putting his face into montys red hair and smiled drifting into sleep

-bonnie and freddy knows-

[image]

The top is art of mine for mateos color palette but the shirt is the same color as he gloves my app just crashed lol

once bonnie put monty on his bed he looked at his hand shacking 'i-i tried to hurt monty?' he walked out and half way to him and freddy's room he fell onto his knees, bonnie's ears flattened as he remembered what happened that day

"b-bonnie? you okay?" monty's fear fulled eyes and voice...

bonnie didn't answer...

monty started to back away trying to find a way out....

bonnies fully black eyes and claw like hands inching close with head down....

bonnies memory went black when he heard monty's scream along with his

bonnie was so lost in thought he didn't notice freddy walking up to him. "bonnie you okay?" bonnie jerked his head up "I know what happened the day I went missing..." freddy gasped "r-really?! w-what happened?!" freddy said running to bonnies side going to hold his hand "l-lets go somewhere where no one will hear us" freddy nodded

bonnie and freddy went back to there room and bonnie with shacking hands sat down on the bed. "ok, let me tell you what I overheard" freddy nodded sitting down next to bonnie taking his hadn into his own. bit by bit bonnie told freddy what he had overheard, "...and so, that is what I had overheard, and all the memories started to come back", bonnie looked over to freddy who was just looking down his eyes widened. "s-so monty dismantled

you when *you* TRIED TO HURT MONTY?!" freddy started to scream at the end freddy stood up and looked at bonnie with hurt in his eyes. bonnie stood up and said "i-i swear fred, I don't know what happened to me in order for that to happen I promise!" freddy started to sob loudly "whats going on to everyone" bonnie ran and attacked him in a hug "i-i'm sorry freddy, we will figure this out together o-okay?" freddy smiled and looked up at freddy "o-ok"

A/N

sooooo can the animatronics in this fanifc be able to take off their clothes or change their clothes

j-just wondering should they be able to? :D

-the dinner date and a love confession-

it's been a day or two since mateo had heard the truth from monty and mateo has been protective of monty and everyone but monty knows why. kind of like:

"monty where are you going?"

"Going to look at my new stage. wanna come?"

"YES! I mean sure I have nothing else going on"

monty and mateo have been going on little 'hang outs' and let's just say that mateo has been sending monty hints for WEEKS and it's getting just plan hurtful to watch to chica came up with a plan with mateo

"so I think you just ask him on a date then flirt your way to your confession" chica said with a smirk mateo blushed. he might be a flirt, but he is terrible at asking people out. "That sounds amazing..." chica smiled "hey tell you what, i'll make the dinner while you two go out on that date" mateo smiled at chica just as monty started to walk in 'why is mateo talking with chica?'

"So that sound good mateo?" mateo nodded blushing a bit and monty froze 'a-are they going out?' monty was about to turn away when he heard mateo speak once again "hey monty! I have to ask you something!" monty turned to mateo and smiled "yeah sure!" mateo stared to get really nervous and blushed "u-um, it would be a-an honor to have you for a dinner d-date with me tonight. With me..." monty was turning red with every word that came out of mateos mouth "s-sure!" mateo started smiling with excitement "see you tonight then!" mateo then raced off to his room bluhsing like an idiot leaving a blushing red monty. 'i-i just got a date with my crush!' monty raised his hands to his cheeks and felt them getting hotter by the second. he then left to go get himself prepeared for the dinner date.

----time skip-----

monty was getting himself mentally prepared for the date when chica came in "omg monty, i heard you're going on a date with mateo!!" monty blushed red again and mentally cried "y-yeah"

/chica was about to say something when she gasped "ypur not even dressed! what are u thinking you only have like 15 minutes left!!" monty looked confused "i-i was just going to go looking like this" chica just looked at him in shock "no, nope, nah uh. let's go mont, we are visting bonnie!" before monty could say anything he was

dragged by chica. soon they reached bonnie and freddy's room and chica knocked, soon bonnie answered with messy hair and freddy clinging to his side blushing (they were cuddling.... you perverts...lol)

"Oh, hi chica, a-an m-monty..." bonnie seemed to be nervous around monty and both monty and chica didn't know why but freddy seemed to. "Well, monty is going on a date with mateo tonight and he doesn't have a suit, can you or freddy help him?" bonnie seemed to be fine now and smiled "sure! I have a spare one in the closet freddy still seems to be tired so once i put him to bed I can help you" the two of them walked inside and monty noticed that freddys room now looks like a mix of what bonnies room used to look like and freddys room mixed together.

bonnie picked freddy up and put him on the bed tucking him in and walking over to monty and chica who had found the suit. it was a black suit that had tiny stars that looked like crystals. "i see you've found it". after monty had put it on it was a tiny bit bigger than him but not noticeable, "noww- I saw we get rid of the glasses" monty slightly panicked since the glasses were hiding his eye color and he was incredibly insecure about it, not only that but his glasses were blocking &%#$!) gaining control since it was covering his eyes "o-ok i-if it is for the best" monty has been fighting for who knows how long, he can handle one little dinner. bonnie took off montys glasses and monty smiled a bit "d-do I look, ok?" chica and bonnie smiled "he will love it monty" bonnie said chica smiled more "come on let's go, it's time!"

monty was dragged again and chica grabbed his glasses on the way out. monty was dragged to near the kitchen where mateo was in a plan charcol black suit and dark blue lace on the ends of the back and the sleeves, monty blushed 'h-he looks...amazing!' mateo turned to see monty n=and turned red "w-wow monty, you look...really cute" monty blushed more and chica smirked "let me go get the dinner ready, you two get settled" the two nodded and sat next together, "s-so...I never saw you without your glasses before." monty looked down at mateo and frowned "let me guess, ugly color?" mateo smirked and held his cheeks "no! you look hot!" monty turned red and couldn't look away from the hare. "Maybe after the

dinner we can go to my room, and you know spend more time together~" monty turned red even more (if that was possible) and that is when chica arrived with the food "here you two go, not as good as mateos, but pretty good!" they both said thank you and chica left them alone again and they began to eat while talking, monty kept looking at mateo and how calm he was during the whole thing.

soon enough monty was about to take another bite n=until mateo stopped him "monty, there is something that i have been wanting to say for wuite some time now... since the first time i saw you, you get flustered easily and I find it super cute~ the way you seem so excited to play for the kids and even the adults it's so cute when u get even the tiniest bit angry. your funny and over all just a great guy.. so what I mean to say is....montgonery gator, I love you!"

monty didn't know what to say he was touched, no one has ever felt that way about him before. he smiled "mateo the hare, your flirt and everytimt you do that it gets me all flustered and everytime you do so it gives me butterfly's, your always so calm and you are just the sweetest guy ever. so. I love you too!" mateo and monty both smiled when mateo attack monty in a hug and kissed him causing monty to just basically become steam "let's go to my room hhuh~?" monty smiled shyly and they both left, and chica said, "hey lovebirds! leave monty's suit clean! monty blushed more and mateo smirked more "will do!"

mateo dragged monty all over to his room and basically pushed him on the bed "don't worry baby bunny~ we are only going to cuddle~" monty nodded smiling and they got changed into more comferble clothes "you know, you're really cute without those glasses~" monty smiled more "then I will wear them less!" mateo looked concered "are you sure baby bunny? I know that the glasses blind you from- you know who..." monty gave a reassuring smile "i am sure, I have been fighting for who knows how long, I can handle without glasses, plus...I have you by my side" mateo smiled back and wlaked over to monty who was laying down in the bed at this point. "Ok baby bunny~, well let's go to bed" monty blushed at the nickname "aww~ still flustered baby bunny? ~" mateo climbed onto monty's lap and layed down on his chest "yo, can you lay

down on his side so I can cuddle you like a teddy bear?" monty chuckled and agreed "sure" and so they did that, mateo cuddled monty and held him close and they slept together...

-concerns-

the next day freddy woke up and felt his boyfriend's arm around his waist, he smiled and felt his cheeks turn pink when he looked and saw bonnie with his ears back and his messy hair and a calm face. 'he's so cute while sleeping' bonnie fluttered his eyes open and saw freddy looking at him "something wrong freddy?" freddy blushed felt his cheeks turn red and said "no it's nothing, you just look cute when you sleep" bonnie blushed and smiled "w-well glad to know you think that!" they both chuckled "maybe we should go and get ready for the day superstar" freddy said as bonnie blushed "y-you remember t-that old nickname huh?" freddy smiled "of course I do superstar now come on, lets brush that messy hair of yours!" bonnie blushed out of emberresment and went to brush his hair and get ready. "oh yeah today is the first day of monty's one man stage show!" bonnie remembered and said "I wonder what will happen to gator golf?"

"it will still run, just not as long, and someone will have to cover for monty while he is doing the one man show" bonnie nodded they continued to get ready. soon they got ready and went to the stage "soo did you hear about mateo and monty?" bonnie and freddy looked confused "they confessed their love to each other last night!" roxy looked shocked "you mean that ugly gator got a boyfriend?!" roxy looked impressed and handed chica $40 "yeah baby!! i'm rich!" freddy and bonnie laughed but the stage platform started moving and they stopped laughing but they still had their smile.

their preformice was amazing but once it was over they started greeting the kids and adults "man I miss monty preforming with freddy.." one kid said they paid no attention until "ew no way have you see the way monty looked at freddy, and now he is looking at the new cook..uhh 'mateo' the same way!" this caught freddy and bonnies attention "hey kids... you know it is not nice to talk about people behind their back right?" freddy had a friendly smile and the kids were startled "u-uh W-we..i-i" freddy's eye twitched

the kids ran off and freddy sighed but froze when he saw monty in hearing range of he two kids. "m-monty?" monty breathed "h-hi freddy!" freddy took monty's hand "you ok monty?" monty nodded, "oh! you don't have your glasses?" monty looked uncomfortable "you sure monty?" monty opened his mouth and said "i-I don't like to show my eyes, plus a staff member keeps looking at me and my eyes weirdly" freddy automatically went into big brother mode **(hc that monty would be the younger one there since I think he was the last one to be a replacement)**

"i-i'm going to get my glasses, be right back freddy" freddy didn't let go of montys hand but dragged him to monty's room "i'll take you don't worry" monty looked confused but din't complain tho. once to his room freddy gave more of a smile "i'll leave you alone now, bye monty!" monty smiled and waved "bye freddy!" monty walked in and grabbed his glasses and put them on walking out. "h-hi there!" monty was stopped by one of the staff members, the same staff member that makes him uncomfortable "u-uh hi?" **(R/n)** = **random name**

"i'm (r/n)" monty nodded and said "uh nice to meet you I guess?" monty tried to get around the female worker but she kept blocking his escape "wait, I just wanted to say something!" freddy was walking back to monty because he was taking a little bit longer than he should be and saw the same staff member flirting with monty who just looked confused and uncomfortable. freddy growled and walked over having a fake smile "monty! mateo wanted me to ask you to come get you! come come!" monty look relived and smiled "ok!" and they walked away with monty rubbing his arms.

bonnie walked back over to freddy and asked "what's going on everything okay?" bonnie lookwed downd at monty and saw his face and said "you ok monty?" monty nodded and bonnie pulled him into a hug, "i'm going to take monty to mateo so tha staff worker doesn't know i lied" freddy chuckled and kissed bonnie cheek "i'll explain later bon"

bonnie nodded and monty and him walked to the kitchen. "hey mateo! I brought monty!" mateo look happy to see monty and his ears lifted a little "baby bunny!" turns out no one was ordering food

so mateo was really board! freddyy got back to bonnie and told him everything. bonnie to turned on his big brother mode and they told vanessa and it ALSO turns out it is off limits for staff to flirt and intervene with the animatronics when they are on duty so the staff member got fired.

-An old friend-

thank you @Nat_Mak for giving me this idea! also if u like this story go and read my new story on fnaf

Roxy was in her room, she was looking in the mirror at herself

"You are the best,... You are way better than that old fox!" "You can have you own show! Thank you, thank you."
Roxy was so jealous that monty got his own show! "Not fair!!" Roxy slammed her fist on the wall and growled "I should be the one who had their own stage. I should be the one getting people's compliments!" Roxy looked to a dart board with montys photo on it and she chuckled. "If it wasn't for you I would be the lead! Roxy then had an idea " what if.... I got rid of him?... " Roxy laughed more and as we see the 'screen' turn black we see purple eyes flickering over where her yellow ones should be....

Meanwhile freddy and Chica seemed really excited "BONNIE!" Both Chica and freddy yelled as they attacked him in a hug "ACK! w-whats wrong?!" bonnie saw the excited faces and said "ohh! it is today?!" mateo and monty walked over to all three sqeeling "w-whats going on?" mateo said "our old friend FOXY is coming over today!! see foxy was transferred over to another pizzaplex over town and today they are coming over!!" monty was shocked "THE foxy?!" foxy was monty's 2nd idol. meanwhile roxy was terrified you see foxy and her were brother and sister, and if foxy knew what she had been doing, well have mercy on her soul that she does not have then.

---1 hour later---

all of the animatronics were at the front door just waiting for the truck to come. soon enough the truck did! and monty was the first to go and try and help them, "you guys need an help?" the staff looked "um, yeah can u just hold the door open and we will handle

the rest ok?" monty nodded and got the door, they had to turn foxy off as leaving him on would damage the animatronic. they welled foxy in and headed for the parts and service to turn him back on.

all of them started to head over with the staff but roxy just went back to her room to start planning monty's 'accident'. "what if I...no that won't work, what if i tell the staff bots to get rid of him for me..no no that won't work either." roxy got lost in thoughts that she didn't hear the door opening "WHAT wont work Roxanne?" roxy froze as she slowly turned her head to see "h-hi brother..." foxy growled and walked over "you didn't answer me roxanne! WHAT. wont. work." roxy had her ears back foxy was scary as hell when he was angry at people and animatronics "i-i- I wanted to give monty a little...present?" foxy growled more and took her wrist and pulled her close "you may be my sister, but i will NEVER let you *kill* someone or any animatronic, so stay AWAY from monty, you hear me?!" roxy nodded quickly. of course she didn't mean it but just to get foxy away from her, foxy let go "good, now i'll be keeping a close eye on you" and he left, roxy fell to her knees 'well that was scary! now i have to be extra careful!'

she giggled as she saw the dart board again 'either way i will win monty~' and again, her eyes flickered and stayed purple.

- putting a plan into action-

[image]

That same night roxy started to plan even more, her eyes were normal now but they were filled with craziness and a creepy smile crept onto her face as she stood up and knew what to do.

roxy walked over to foxy and said "brother, I wanted to say..I am sorry..i was just really jealous that monty is more sucessful and well you know." foxy smiled "it be ok rox, just don't let it happen again ok? but i will try and keep a close eye on you ok?" roxy nodded having a small smile on her face as she looke innocent "i understand" while walking away her face turned into that same smile and face as before. 'perfect now i just have to keep him busy! I'm sure there is *someone* who has a grudge against monty!' roxy let out a breath as she walked towrds vanessa "hey vanessa?" vanessa turned "i will pa you $20 to keep foxy busy for about an hour or two" vanessa smiled "sure!" her smile fell "what are you planning?" roxy looked hurt "i just want to plan osmething for my dear brother is that so bad?" vanessa smiled "I guess not" and walked away.

roxy smirked "now to just get everything ready!" roxy searched and saw the perfect thing, a metal bat. 'now to find a spot to where no one can see...oh! the basement!' so roxy dragged all her things the the basement and sighed. roxy froze for a moment sinking slowly into guilt but shook her head "no! to late to back down now!" roxy had brought chains that way monty can't hurt *her*

roxy crept towards monty's room smirk creeping up. she knocked...

monty opened the door...

roxy wavd and said she wanted to talk to him...

roxy led him to the basement, having him go first...

roxy took out the metal bat as monty looked around confused...

darkness...

sorry this chapter is so short i will make next one longer!

-Where is monty?/plan success?-

mateo sighed as he wished he could be by montys side suddenly freddy walked in "hey mateo have you seen monty i need his help with something" mateo shook his head "no sorry, I wish I could be by his side, maybe you should ask sun, he has a weird thing with monty for some reason." mateo said as he glared at the knife he was twirling in his paws. he did not when sun got close to monty. freddy nodded

freddy let out a breath and nodded and started to make his way towards the daycare he reached there and knocked "hello freddy! what brings you here?" sun asked with a smile "hey, have you seen monty?" sun's smile dropped "oh i am very sorry friend i have not seen him rihgt now but! i did see him with roxy earlier!" freddy smiled and thanked him.

foxy was in the guest room freaking out "how can i be so *stupid!!*" foxy slammed his fist on the wall and let angry tears fall 'fuck you roxanne!!' freddy knocked on foxys door and he answered "y-yes?" "yes have you seen roxanne sun said he saw monty with her" foxy stood there frozen in horror but then said "fuck! i KNEW not to trust her!" freddy was shocked "w-what happened?!" foxy then explaned what he heard roxy say. "well what are we waiting for lets go find them!!"

-----meanwhile-----

monty's head hurt like hell as he woke up 'w-what happened?' monty tried to move but he couldn't move any part of his body, he saw darkness but a dim light came from the door that leads to the mian pizzaplex. "wake up sleeping beauty !" roxy's voice ran through the room "r-r0#y?" (r-roxy?) monty's voice sounded broken"yeah sorry had get rid of the voice box...meaning i broke it" monty tried to say something but shut his mouth when he saw roxy with the metal bat. "it is because of YOU I don't have the fame i

deserve!" monty was a little freaked out now, he tried to move his hands to attack but all he heard were chains, he heard Roxy laugh "like em? I know you can't brake chains soo" roxy got closer with the bat and raised it "bye bye Montgomery gator~" Monty closed his eyes and felt pain he tried to scream but it came broken out "oh shut up I only smashed your side and shoulder... " roxy giggled, Monty looked into her eyes and saw her purple spiral eyes 'just like bonnie...!' Monty be can to let tears fall 'I haven't been this scared since my first time performance' roxy swung the bat once again and hit his legs, the sounds of the bat hitting him stuck in montys mind. She hit him again... And again.... And again....

Until he heard a loud bang and his vision went black as he heard screams..

-recovery-

Monty woke up to a bright light and hissed "oh, sorry mon" Monty heard mateo say "m-m@t30?" Mateo frowned and kissed his forehead "I am so sorry Monty, but we found you just in time, now you have to rest now baby bunny" and just like that, monty fell asleep.

meanwhile roxy was chained to a wall in the very back of the storage while foxy was PISSED "you....*lied* to me...you, *HURT* monty! you have gone to far! I have called the magager and he said I will be replacing you for the time being till they get a real replacement" roxy teared up then growled "y-you wouldn't do that to your own *sister* would you?!" Foxy didn't answer, he only teared up "you are no longer my sister..." Roxy started crying. Foxy also started crying, both of their ears went down and foxy ran out.

Foxy went to see monty and saw mateo int ears and monty asleep "h-he'll be okay... Right?" Mateo looked up shocked, but then calmed down "y-yeah but monty will have to be off to the side for like 2 months while staff fixes him.." Mateo teared up again and looked down at the broken monty and took his hand, and he growled "if I EVER see roxy again i'll KILL HER" foxy didn't say anything nor did his face say anything, he didn't care for roxy anymore monty could DIE right now.

---time skip ---

Mateo fell asleep next to monty while staff was planning on fixing him, when Mateo woke up monty was awake and holding his hand and petting his head "m-monty?" Monty smiled "h3llo, st@ff f!xed my voice s0me so ! Can talk a little" Mateo smiled and chuckled, blushing he kissed his cheek "I'll be fine m@teo" Mateo smiled once more. "I can not wait to cuddle with you again..." Monty smiled and held his hand tighter. T3ll you what w3 w!ll cuddle when I get better ok@y?" Mateo smiled 'he will be okay, everything will be okay....'

-Glitchtrap?-

Roxy was still chained to the wall eyes still purple 'i was so close to getting rid of him! when i get out i'll beat him so hard he'll forget his own name!' roxy growled but whimpered when she saw the glowing purple eyes and her own eyes turned normal "....you failed me roxanne.... i wanted him GONE!" roxy flinched "i-i know, but if it wasn't for that DAMN freddy i would have done it..." the purple eyes thought "ok then i'll just have to do what i did to bonnie to freddy~" roxy let her ears fall onto her head "m-maybe...w-we should just let them be and move onto another location?" roxy prepared for the worse but only a chuckled came "poor little roxanne, i need these animatronics gone because...why not?! it's fun to see all of those therrified faces!!!" roxy looked down 'what have i done?!' the voice laughed "imma go visit monty's little boyfriend now, bye bye roxanne!" roxy tried no get up when the voice left but the chains stopped her and they rattled "FUCK!" foxy came running in and saw roxy in tears "roxanne whats wrong?!" roxy told foxy everything to the voice o the talk they just had.

"fuck we have to go get mateo!" foxy untied roxanne and they ran to see mateo sitting next to monty smiling, but when he saw roxanne he growled "what the FUCK is she doing here?!" foxy grabbed his hands "no time to explain but we'll tell you on the way," so leaving monty there mateo, roxy, and foxy ran to mateos room and through him in "ok whst the hell is going on you guys?" they both explained and mateo's face grew in fear, "b-but why me?!" roxy sighed "you are super close to monty and monty is his big target right now but since monty has those glasses he can't get to monty", they heard a broken scream "MONTY!" mateo screamed and he ran to where monty was being held and saw him in a corner pointing awt what looked like a yellow hudge stuffed rabbit with a purple vest "G3T @w@y FR0M M3!!" mateo ran in front of the slightly broken monty and yelled "GET AWAY FROM MY BOYFRIEND!!" mateos ears shot straight up and he growled "Awww~ how cute is this~ Montgomery gator has to have his little boyfriend to defend

him~"

monty hugged mateos waist "m@te0 ple@s3" mateo's ears backed down looking at monty with big eyes but smiled calmly. "ok baby bunny" a howl of laughter broke the sweet moment "i'm sorry, i'm so sorry, it's just HAHAHAHA it is so sickly sweet of your 'baby bunny' to do that!!!" monty looked down but freddy, roxy, bonnie, and foxy were not having ANY of that. freddy ran up and attacked the yellow rabbit but he teleported and freddy crashed to the ground "remember my name! glitchtrap!" he ended with laughter that fadded out.

"who the *hell* was that?! was that the voice you guys were talking about?!" monty and roxy nodded "same eyes and voice..."

bonnie ran to freddys aid "you okay baby?" freddy nodded "i'm fine superstar" monty was taken back to his room while mateo sill hugged him. monty hugged mateos arm in fear and they went back to mateos room to cuddle.

freddy and bonnie looked at foxy and roxy "what the *hell* are we facing against guys?" freddy said "i don't know but we have to keep you guys, or monty safe..." they all nodded as roxy said that.

-Fighting plan-

mateo crumpled a paper in anger "FUCK that won't work! but maybe we can-" mateo was making up a plan how how they can defet this 'glitchtrap' he hadn't slept in two days, he still worked at the pizzaplex and recharged bit never slept, he was too busy making up a plan. monty was begining to worry, 'mateo please just rest for a bit" mateo sighed "maybe your right baby bunny" he smiled then smirked "maybe we can have some fun~" monty blushed red "w-what?!" mateo burst into laughter "i'm jocking baby bunny" mateo got up and hugged montys waist "but maybe i wasn't~" monty blushed more "m-mateo no!" mateo chuckled "i have been thinking of a plan to stop this "glitch trap..' person, you have any ideas?" monty thought "he seems like a glitch so if we find the game he came from we can shut it down and we will be free!" mateo blushed and giggled at montys proad face "hey, after this is all over, maybe we can play something~" monty began to be flustered "m-maybe." mateo chuckled and smirked and put his paws on montys chest "i mean we would have to wait until the kids leave~" monty became more flustered mateo pulled away and said "welp back to planning!"

monty walked away with a flustered face and bonnie saw it "haha whats wrong monty?" "fucking mateo, can't wait until this whole thing is all over.."

meanwhile glitchtrap was getting a little nervous "i-i can't take control of monty anymore! s-so that means i can't take control of any of the animatronics! s-so that mean they can *kill* me!" glitchtraps ears went down but went back up "calm down, you can think of something! you are *the william afton*!! you never die!" he felt a twinge of pain "but i have to take that stupid gators body before it's to late..."

mateo woke up in a cold sweat, what was that? had mateo just dreamed that glitchtrap was dying?! he needed to tell someone about this. he went to the door but it was locked "sorry hare, can't

have you ruining my plans!" mateo felt pain all throughout his body and fell to the floor "w-what's going on?" the voice laughed "i'm sending shocks all over your body so you can't move while i do my dirty work!" mateo's eyes wided "you stay a-away from my baby bunny!" the voice laughed "like *I care!* i have been waiting for this day since I was first ever put into this gosh forsaken glitch of a body! the only reason i chose monty was because he's the strongest one out of you all. and i need someone like that to help me take over and become human again" another shock wave was sent thorugh mateos body and he screamed in pain only to be kicked in the side "h shut up, it's no even that bad. plus you'll alert everyone that i'm here!" mateo looked at the rabbit breathing heavily "you...fucker...." and with that...everything went black for mateo

-the plan-

new story is up if you like mha or fma go check it out!

when mateo came too he saw he was still in his room. "fuck...need...to....reach...monty!" mateo got up and wobbled over to montys room and crashed into the door falling onto the floor. causing monty to jump "m-mateo! are you okay?!" mateo sarted to gasp for air just in time for another shock "glitch trap....shock waves.....help!" monty carried mateo to parts and service where freddy, roxy, bonnie, and chica were there talking to someone. "ey! someone help him!" they all ran to him and they heard "OH MY GOODNESS" it was sundrop, they were talking to sundrop "h-here let me see him!" Sun took mateo and seemed to press a button that calmed him down "s-sun what did you do?" Sun smiled "moon used to have shock waves and there's always a button to stop them" they seemed impressed "m-monty? Guys?" Mateo seemed to calm down a lot now and wiggled out of his grip "t-thanks sun"sun smiled and mateo blushed out of embarrassment, monty growled and walked up behind mateo and wrapped him arms aorund him. mateo was kind of touched "aww baby bunny~ are you jealous~?" monty blushed "m-maybe"

mateo chuckled "so what now?" he said turning to the rest "there is something i need to tell you guys, before i was getting shocked i saw glitchtrap, he's dying, he can't get to you monty, so he's dying, if we just keep doing what we are doing and keep monty safe, we can defeat glitchtrap and live our normal lifes!" everyne nodded and sun said "i can go tell music man the same thing if you want?" mateo nodded and monty said "thank you sunshine!" sun blushed at this "u-um, monty?" monty tilted his head "what? is that not your full name?" "m-my full name is sunrise" monty chuckled "oops, sorry" sun blushed more and mateo growled and hugged monty "hey monty! lets go cuddle!" monty blushed and smiled "o-okay!" monty started to walk over to their room and mateo grinned.

freddy and bonnie looked at each other and bonnie "maybe we can

cuddle superstar~" freddy blushed and nodded a little. sun just looked confused while roxy and chica walked back to their rooms. 'that monty guy was cute! welp better head to music man to tell him!'

mateo got to their room and saw monty sitting on the bed "hey baby bunny~" mateo walked over and hugged him getting on his lap, his smile still there "lets cuddle~"

meanwhile freddy and bonnie were actually cuddling

-mateos jelousy-

the next morning monty woke up to mateos chest and he blushed like no tomorrow. he moved a little and pain struck in lower back "ow! fuck!" mateo sat up and said "are you okay?! oh-" monty tried to sit up but pain struck him all over, mateo started giggling "did I go to rough~" monty blushed more then shook his head "n-no." Mateo chuckled and smirked going behind monty and hugging his waist "sorry baby bunny~ well i'm going to start the day, you can rest if u want" monty nodded and laid back down.

mateo walked to the main room and saw sunrise again. mateo decided to talk to him "hey sun!" sun turned "oh, hello..mateo was it?" mateo smiled and noddedsun blushed and looked around "so, wheres monty" mateo frowned "he's in our room resting. lets just say, he had a rough night~" sun made a worried face "oh dear, i hope he's okay" mateo seemed not suprised he knew that sun was too innocent to get it "well i should make him something to have him feel better!" mateo growled but faked a smile "s-sure! sounds *great*!" he said through his teeth. it was so oblivious that sun liked his boyfriend sun walked away and bonnie saw his face "jealous huh?" mateo's ears went up a bit "y-yeah, i mean sun is trying to get to *my* boyfriend!" mateo looked down and crossed his hands

he looked down and frowned. he heard bonnie chuckle more "you know, more a big ass flirt, you act like a child" mateo looked offended " oh how dare you monty is *my* boyfriend, and i plan on keeping him as that, and no fucking sun or moon is going to take that away from me!" bonnie stepped back but mateo looked down "sorry..." bonnie smiled and patted him back "don't worry bout it, you might want to head over to your boyfriend i saw sunrise going over there" mateo flinched and had wide eyes then booked it towrds his and montys room only to hear this

"um, thanks....sun...."

"oh so worries, mateo told me you didn't feel well and had a rough night so i made this!"

"its, um...great!"

mateo walked in all normal to see monty wrapped up in a blacket sitting up.he also had his glasses off and this hair was messy, and a little plush of him and to say it was adorable was an understatement. monty seemed to notice him and said smiling "bunny!" mateo blushed red. sun stopped smiling and frowned looking to the side. "h-hi mont!" sun smiled again and said "i just remembered, i have to clean up the daycare bye!" and ran out. "so how was my baby bunny today?~" monty blushed "good, you?" mateo smiled "lonely" mateo saw a little sun and moon plush beside monty kinda just tossed "whats that??" monty looked and picked them up "it's something sunrise gave to me as a 'get well soon' gift...they seemed nervous too, don't know why tho." mateo smiled 'oh bless his heart, also i'm going to *kill* sun, not really of course'

"now come here i want cuddles!" monty said extending his arms out. mateo chuckled "ok baby bunny"

meanwhile bonnie walked to freddy and his room, he looked worried and confused. fred noticed "whats wrong bon bon?" bonnie perked up "oh, mateo got really jelous today and got a little overprotective of monty in talking with him today." freddy raised an eye brow "jelous of what?" "sun, sun likes monty now and mateo can't handle that factor" fredyd bursted out into laughter "really? i mean i know sun always liked monty the most but i never thought he like monty *that* way" freddy turned back to his vanity fixing his hat that was a little torn from roxy. bonnie came up behind him and said "you know how lucky i am to have you?" bonnie wrapped his arms around his waist and nuzzled his head into freddys neck. fred giggled "you tell me every day superstar, and you know how lucky i am to have *you* back in my life?" bonnie smiled and they both shared a kiss. they broke apart and said "lets go to bed" and sleep was brought to the pizzaplex once again.

well, all for one, sunrise and moondrop. "what was mateo all about with the whole "mont" thing? i mean i can call him that too!" sun heard moons voice *"you should hear him call monty 'baby bunny' it is really sicking"* sun smiled "m-maybe i can win monty over with something! spend time with him and such! yeah, i'll do just that!" i mean he did look REALLY cute back in his room!" while sun was

fangirling he passes out due to lack of sleep and moon took pity

-sunrise and moondrop-

sunrise was in his room laying on his back blushing and acting like a school girl *"sun your acting strange.... "* Suns brother, moondrop, said as sun sat up. Sun looked in his mirror and smiled as he saw moons concerned face "oh it's fine moon, i-i just... Think I like someone is all" moon perked up *"really? Who?"* Sun blushed again and said "Montgomery gator!" Moon froze smiled then blushed looking to the side *"have to admit monty is really fucking cute"* sun smiled "so it's settled mission get monty to like us back is a go!" Moon smirked *'poor sun.. Little does he know I already know of a plan...'*

Mateo was tending to monty as monty blushed "mateooo!" Mateo chuckled as he ruffled montys hair "sorry baby bunny~" monty covered his face. Mateo smiled "welp if you want to join me I'm going to play some bonnie bowl" monty shook his head "I'll go walk around" mateo smiled and nodded.

Monty got up and started walking, soon he saw the daycare and knocked. Moon answered "oh.. Hi monty!" Monty smiled "hello, I just wanted to say hi! I was just walking around" moon grinned "well come on in~" monty didn't notice the flirtiness in his voice "sure!" Monty walked in and moon grinned more and closed the door behind monty "soo, what do you want to do?" Moon smiled normally "I mean, we have a new star gazing thing, we can look at that!" Monty smiled calmly "sure! That sounds fun!" Mom said heart skipped a beat and he heard a voice from sun *"what on earth are you planning moon?! I know youre not happy just from star gazing!"* Moon didn't lay much attention to sun as he was focusing on monty as they hoth entered, monty shivered because of the cold. Moon noticed, "hey you cold?" Monty nodded smiling shyly moon smirked "welp come here then" moon held out his arms but Monty shook his head "oh, i-ill be okay" moon faked a smile "ok, sorry if it seemed weird I don't have a hoodie" Monty chuckled "it's fine"

-----time skip-----

Monty yawned and moon chuckled "tired already?" The truth was moon had offered Monty some moon drop candy and it was now taking effect, what moon wanted was to have him fall asleep much to Suns Disapproval 'I still say this was a bad idea moon....' Monty fell asleep and leaned on moons shoulder, moon picked him up "mateo won't notice~" Monty was carried all the way to moon and Suns room and put down in the closet, "and don't worry sun.... He won't get away...." To be honest this scared sun, he never wanted Monty to be like *this* I mean moon was kind of insane.

Moon closed the door and put chains on it. With double locks and chains so Monty can't get through, moon left and left Monty there

Mateo searched for Monty with panic "h-had anyone seen Monty?!" Bonnie and freddy turned to mateo "I think I saw him walk towards the daycare!" Mateo froze he *knows* moon can be crazy and he knows they both like monty "I HAVE TO GO!!"

monty woke up with an headache "w-what?" Darkness "w-where am i?" Monty felt around and felt a switch and hit it, he saw a closet "why am I in a closet?" Monty tried to open the door but it was locked "m-moon?!" He slammed his fist against the door but it didn't budge "a-anyone?" Montys voice squeaked.

He felt truly alone and scared

-the rescue-

Monty started banging on the closet door as his hands started hurting. "MATEO! ANYONE?!" monty was in tears at this point but he didn't care, he just needed to get out of here, he heard footsteps and clasped his hands over his mouth "monty, you keep doing that and I'll have to break your voice box and take off your arms." monty's breath quickened, he was terrified.

mateo ran as fast as he could to the day care, it was pitch black, "monty has to be here." mateo knocked and moon answered "o-oh, hello mateo what a suprise!" mateo looked pissed "cut the crap moondrop where is my boyfriend!" *"b-boyfriend?! moon you nev-"* moon broke into a fit of laughter "i have no clue who you're talking about~" mateo grew even more angry "YOU MOTHERFUCKER!" mateo went to attack moon but freddy held him back "whoa mateo violence won't answer anything" moon chuckled again "thats right mateo, have freddy hold you back cause your probly too weak to do anything anyways~" mateo's eye twiched and he growled "freddy.let.me.go!" freddy struggled as he held mateo back *"moon, we should give monty back he has a boyfriend and i didn't know!"* 'oh shut up sun i'll have my monty one way or another!!' moon faked a sad frown and said "i really don't know where he is, but he left a little bit ago if you find him, please tell me" freddy nodded but mateo growled more "the way you can make your voice so face is almost frighting" moon faked being confused

mateo pushed passed moon and ran towards moon and suns room moon tried to stop him but mateo was way to fast, after all, he is a hare. once mateo climed into the room and saw he closet with chains and sobbing coming from it "m-monty? you in here?" the sobbing stopped "m-mateo?! mat please let me out!" mateo ran over to the chians and searched for the key. he found it and unlocked the doors. monty burst out of there with tears rolling down his face "mateo! thank goodness your here!" mateo teared up and hugged monty tighter "I am NEVER letting you go again!" monty smiled "c-can we get out of here?" mateo smiled and picked monty up which

took him by suprise "what? i'm not that weak!" monty blushed and wrapped his hands around mateos neck. mateo walked over to the edge and said, "hang on" and he jumped he walked over to the mian entrance where moon had turned into sun and the lights were turned on "i-i'm so sorry, i tried to stop moon but he wouldn't listen! and plus i didn't notice that monty has a boyfriend!!" freddy chuckled "i know sun but we do have to seperate you and moon so something like this doesn't happen again, we also have to scrape or put moon out of order." sun nodded "he was always rough with the kids, a-and i've wanted to do something but i didn't know how to do so" monty and mateo also smiled "don't worry sunrise, it's not yout fault it was moons," mateo smiled and spoke with a calm voice sun turned to n=mateo and onty tears streaming down his face. he hiccuped out words as he looked at monty "i-i'm so so so sorry monty!" monty chuckled "it's fine sunny, as long as we get rid of moon we're good" sunrise nodded and his tears continued.

mateo carried monty to their room and set him down "well get some sleep baby bunny, we have a show tomorrow" monty nodded and they headed to sleep.

so this will be pretty much the final chapter i think.

glitchtrap coughed and put his hand over his mouth as he leaned on the wall "fuck!" glitchtrap was on the verge if death and he needed monty's body, he was so close with moondrop to get monty, now he has to suffer cause he was close to death, "VANNY!" glitchtrap yelled. *"yes?"* a voice answered "i NEED you to get monty! i am on the brink of DEATH here!!!" *"b-but sir, m-mateo is always with him and i can't get close to him"* glichtrap was mad "well guess i'm going to DIE then!"

Vanny thought *"I can try one more thing?"* "Perfect do it!"

Monty was in his and mates room cuddling and planning on going to watch a movie when Vanessa came in "hey Monty?" Monty looked up "yes?" "I need you to get an upgrade come on" mateo got up to go with him bu vanessa said "nope not you mateo, stay here!" msteo growled at this but obeyed. monty followed vanessa into the parts and service where he was strapped down "well, t-this is new" "yeah new safety thing"

vanessa looked at the computer then started laughing "u-um vanessa?" "sorry monty but we need your body so glitchtrap won't die" monty panicked and tried to break the straps but it failed and there he stayed. vanessa grew closer but there was a banging. "hey vanessa i think there's something wrong with my arm?" monty heard bonnie say. vanessa growled "not now bonnie!" bonnie behind the door didn't like this, mateo was behind bonnie. "vanessa i really need help here!" vanessa growled more but opened the door and looked at them "what" bonnie smiled "i think there's something wrong with my arm" and with that he punched her. "you know monty? i think you should go and hide into your room and be handcuffed to someone at this point." mateo said stepping over

vanessa and walking to unstrap monty "i-i know, sorry mateo" monty giggled. mateo sighed and smiled "oh it's fine you can't help it" monty got free then hugged mateo. "well let's go and cuddle vanessa just has to give up at this point!"monty nodded as bonnie walked in rubbing his knuckle "man, vanessa has a hard head" monty looked at bonnie and smiled "you going to be okay bonnie?" bonnie smiled back "yeah of course i am! tho we have to tell someone about vanessa" monty and mateo smiled and nodded.

-----timeskip-----

freddy came out to check on bonnie since they were gone for a little bit but sawmonty, mateo, and bonnie stanidng at the door way and vanessa being carried away by men in white trench coats and vanessa screaming "but i'm NOT crazy! i'm telling the truth!!" the officer laughed "yeah right, as if a glitching talking rabbit that has the soul of william afton itself was real" vanessa got carried away and freddy ran to bonnie. "hey bon bon whats going on?" bonnie blushed and looked at freddy and smiled "well vanessa tried to take monty again so i knocked her out and called the cops and the mental asylum, they loved to hear about a human who was talking about glitchtrap." monty and mateo started walking away "when we get back to your room we are so building you a leash so i can keep you close at all times! i'm beat by all the stuff thats going on!" monty laughed "same here honestly"

bonnie and freddy got back to their room and layed down "rockstar?" bonnie said "yeah superstar?" freddy replied "is this really the end of it all?" bonnie said in freddys lap who was sitting up with bonnies head in his lap. "i sure hope so superstar, i hope so.."

thank you guys so much for reading this book! if you guys want me to make another book thats a book 2 just give me ideas! i'm planning on putting Gregory in it too!
